

Canadian Food Safety Fund (CFSF)

Update: 2019-09-20

2018 Research Projects In-Progress:

- The first two research projects have been initiated and they are scheduled to be completed June 2020. The projects are:

Project 1:	
Institution:	The University of Manitoba
Research Topic:	Bacteriophage Cocktail to Control Shiga-toxigenic E. coli on Lettuce
Researcher:	Claudia Navaraez
Project 2:	
Institution:	University of Guelph
Research Topic:	Integrated post-harvest wash systems for fruit and vegetable decontamination for reducing water usage and decreased emission of disinfectant by-products in wastewater streams.
Researcher:	Keith Warriner

2019 Research Project Proposals:

- The Request for Proposals was launched September 2019.
- Interested researchers have until early October to submit their ideas.
- The CPMA Technical Sub-Committee and Food Safety Committee will evaluate the proposals and the winning projects will be announced November 2019.

2019 CFSF Sponsorship:

- We thank all of the members who have contributed to the CFSF over the last two years.
- A special thanks to the 24 members who have committed to funding the CFSF on an annual basis
